

How to Set Up YouTube TV

on Your TV

Option 1:

Using a Smart TV

- 1. Download the App:**
Find and download the Youtube TV app directly on your smart TV.
- 
- 2. Open the App:**
Launch the app—an activation code will appear on your screen.
 - 3. Activate Your Account:**
On your phone or computer, go to the activation website
<https://tv.youtube.com/start>
 - 4. Log In & Enter the Code:**
Sign in with your account, enter the activation code, and click “Allow” or “Activate.”
 - 5. Start Watching:**
You’re ready to enjoy your favorite shows and movies!

Option 2:

Casting YouTube TV to Any TV

- 1. Connect a Streaming Device:**
Plug in your Chromecast, Roku, or Fire Stick to your TV.
- 2. Connect to Wi-Fi:**
Ensure your phone or computer is on the same Wi-Fi network as your streaming device.
- 3. Open YouTube TV:**
Open the YouTube TV app and choose what you want to watch.
- 4. Cast to Your TV:**
Tap the “Cast” icon, select your device, and enjoy YouTube TV on the big screen!

Tip: You'll need an account for each streaming service you want to use. Don't worry—these are included with your Bundle TV plan!
